

Firehouse Glass

518 Main Street Vancouver, WA 98660 360.695.2660
info@firehouseglass.com www.firehouseglass.com

Firehouse Glass is the Northwest's premier center for glass art located in the historic Vancouver National Bank Building. Firehouse Glass provides world-class equipment and facilities with a vision of community, education and collaboration in the glass arts. Each First Friday night of the month from 6:00-10:00 there is a public glass blowing demonstration in the Firehouse Glass hot shop. There is also an open studio each Saturday from 1:30-5:30. Our world class gallery space is used for exhibiting and selling artwork by artists of all levels from students to professionals. Firehouse Glass is always happy to discuss commissions and collaborations.

Private lessons as well as studio rentals are available in glass blowing, glass fusing and slumping, kiln forming, cold working, sand blasting, and torch working. Private lessons cost \$35 per hour plus the studio rental rates which are as follows:

- the hot shop is \$35 per hour with a four hour minimum
- the cold shop is \$15 per hour with a one hour minimum
- the warm shop and torches are \$10 per hour plus kiln time
- the torch working studio is \$10 per hour
